Also, I can only open the attachment as a web page and cannot actually download it, so when I print it, the Ccolumn and row numbers also print along the top and side of the page and it becomes 2 pages long. If I get a correct copy from you, I can make sure my information matches yours (and fix anything that needs to be fixed), then print my copy to send to you.

Hello Sonja,

Please find attached your TAF. I just need you to sign and date this under "Signature of Traveler", and get it back to me with all of the other originals as soon as possible.

Let me know if you have any problems with this form.

Thank you,

Hi Sydney-

When I Google Mapped the reverse direction, it ended up being an extra mile, so I revised all the sheets that listed the expenses and attached them as well. Please let me know if you can't see the shaded areas. Thanks for all of your help.
